

# CODEX: CHAOS SPACE MARINES

VERSION 1.0

These documents collect amendments to the rules and present our responses to players' frequently asked questions. Often these amendments are updates necessitated by new releases or community feedback. At other times, these amendments are errata designed to correct mistakes or add clarity to a rule that is not as clear as it might be. Where existing passages of rules text are presented, new or revised sections are marked in red. Entries marked with  have been newly added or revised since the previous iteration of this document.
